

## SOUTH HERMITAGE SURGERY

IF YOU NEED A REPEAT PRESCRIPTION  
SAVE A VISIT TO THE SURGERY.....

In order to protect our patients during the current coronavirus pandemic we are asking patients not to come into the surgery to drop off prescription requests. You can request your prescription by any of the other following methods:

- Ring Prescription Ordering Direct (POD) on 0333 358 3509. They are open 8 am – 5 pm Monday to Friday. Please try to avoid ringing on Mondays or Tuesdays which are their busy days
- E-mail your request to POD – [shropshire.pod@nhs.net](mailto:shropshire.pod@nhs.net)
- Sign up for Patient Access to be able to request your prescriptions on-line direct to the surgery as well as booking appointments on-line. Please ring Reception for details.
- Send your repeat prescription request in by post, allowing an extra 72 hours to the process.

Thank you for your co-operation in these difficult times.
